MEMORANDUM FOR: Deputy to the DCI for Resource Management
FROM: Director of Central Intelligence
SUBJECT: OMB Memo re Discussion Points
with Authorizing Committees [redacted]

25X1

I have just received the memo from [redacted]
on his understanding of the things we are supposed to negotiate
with the authorizing committees. I explicitly told them we would
not ask for the [redacted] The way his memo is
worded I believe he is suggesting we should ask for that whereas
I very definitely said we would not, that we could absorb that in
our R&D money. I think we should not go through on this because
it is just going to stress the load too much. [redacted]
